

It is increasingly common for our clients to undertake approved drugs and alcohol tests in the event of an accident or incident where there is suspicion of illicit substance abuse by the driver.

These incidents are thankfully rare but should you be asked to undertake a drugs or alcohol check you must comply or accept that your refusal will count against you when you are being considered for placement on assignments with T.G Recruitment Ltd.

In the event that a driver subsequently fails a drugs and alcohol test the driver must accept the following.

1. There will be a lifetime ban with T.G Recruitment Ltd
2. That payment for the shift which relates to the drugs or alcohol failure will not be made.
3. That the costs of the drugs and alcohol tests (currently £90 but may vary) will be deducted from any monies owed by T.G Recruitment Ltd.
